BIN SILAFIX

resistent - sustainable - inteligent

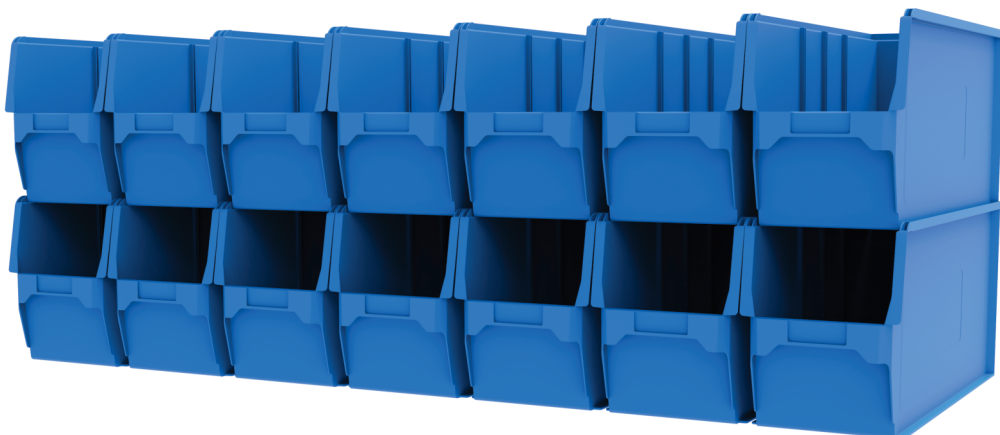

Developed to facilitate your business.

MORE VERSATILITY AND QUALITY

Bin boxes (Silafix) are extremely light and robust, have a perfect fit, are anti-corrosive, resistant to oils, impact and temperature variations. Silafix provide your company with a much more practical and organized work environment. Ideal for warehouses, hardware, auto parts, general purpose car workshops.

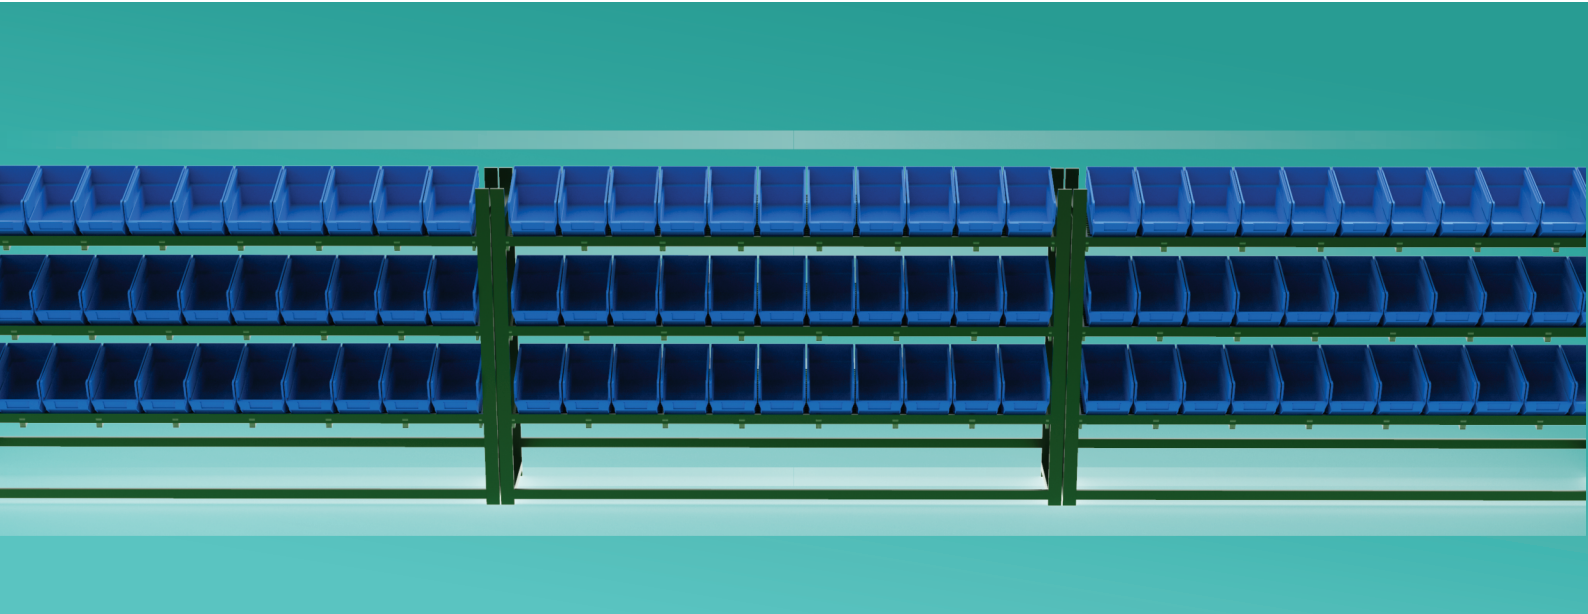

HIGH STORAGE CAPACITY

Larger capacity ensures greater quantity of products per Box.

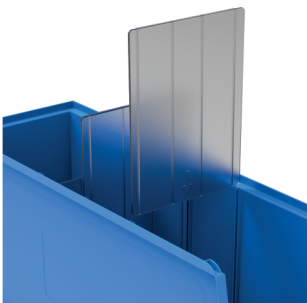

STORE MULTIPLE PRODUCTS IN ONE PLACE

For those looking for high storage capacity, versatility and organization in a single product, the Silafix Box is the perfect solution. Internal space ready for use with dividers, more versatility and organization within the same box.
