# EURO – EURO FORTE

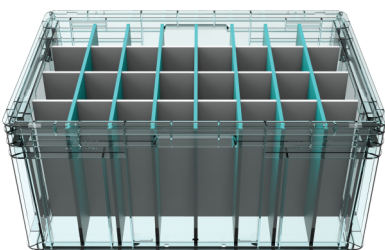

*resistent – sustainable – inteligent*

## Developed to facilitate your business.

### MODERN DESIGN

The design of the bottom allows an excellent sliding performance, smooth and silent, guaranteeing the integrity of the equipment (mini-load, stacker crane).

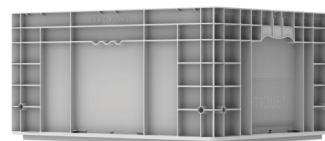

### DIVISIONS (OPTIONAL)

- Better packaging.
- Ideal for conservation of finishing and painting.
- Greater protection in transport.

### AUTOMATED SYSTEMS

As perfect distribution boxes for standalone systems, EURO boxes allow the installation of barcodes/Rfid to organize every operation in automated systems, facilitating every operation. These boxes follow the dimensions of European standards.

**ATOXIC**

Ideal for transporting food products.

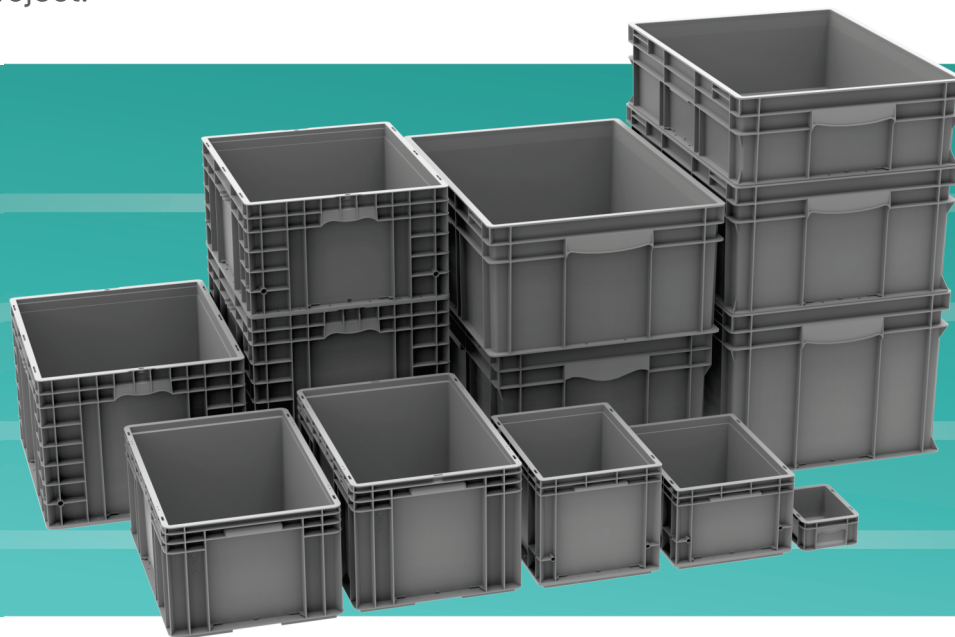

**CONDUCTIVE**

Ideal for transporting electronic products.

## DIFFERENT VERSIONS

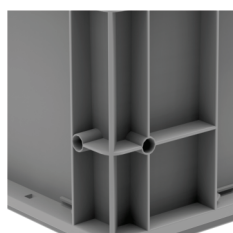

Recognized for its quality and practicality, the entire EURO product line also has versions in conductive material, non-toxic or resistant to impact, oil and temperature variations, according to your need and project.
